

SEMI PRECIOUS STONE TABLE TOP WITH MARBLE BASE

Assembly Instructions

Parts Listing:

- (A) Stone Top
- (B) Brass Plate
- (C) Brass Pole
- (D) Marble Base

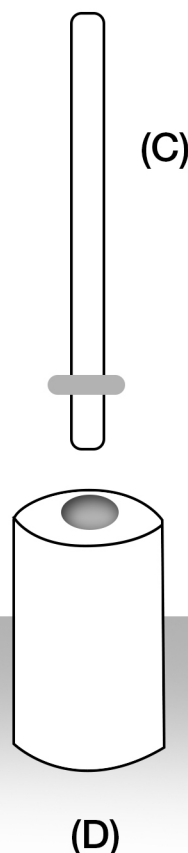

Tools needed : Strong Adhesive like Epoxy.
(Please read all instructions before assembly)

Step 1:

- a. Place the Marble Base(D) firmly on a flat surface.
 - b. Insert the Brass Pole (C) into the hole of Marble Base (D) with rim facing up.
- Adjust the brass leg for a snug fitting.

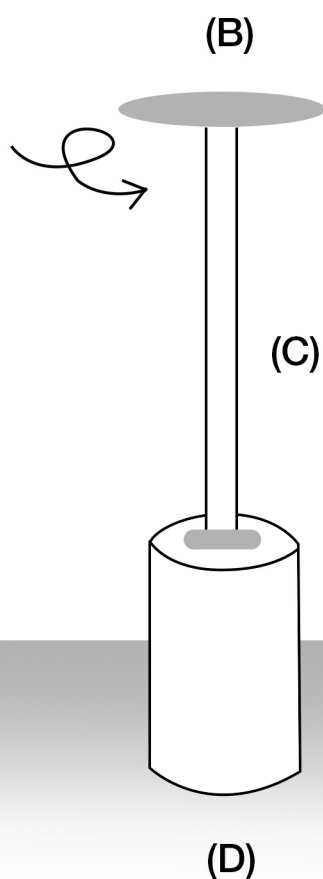

This setup is detachable.*

*To fix (C) permanently into (D),
apply glue to the part of (C) that fits into hole in (D).

Step 2:

Attach Plate (B) to the Brass Pole (C) by fixing it tightly over the rim.

Step 3:

- a. Wipe the surface of Brass Plate (B) and the unpolished surface of Stone Top (A) with rubbing alcohol before using Adhesive.
- b: Use a high quality epoxy glue and follow the instructions to apply on the clean surface of (B).
- c: Using a second person, place the center of the cleaned surface of (A) on the glued surface on (B). Without applying too much pressure, hold (A) for 30 seconds.
